As-Salaam Alaikum Dear Parents/Guardians,

Student's textbook/learning resources are ready to be picked up from the school. **Parents have to sign the textbook loan agreement through school cash before picking up the books.** We have provided the total cost of books below for each grade. Charges to your credit card will **only** be made for the textbook(s) that are returned to the school damaged, as per the agreement. Nothing will be charged to your credit card if the books are safely returned.

Student Resources pick up will be according to your Child's Grade, date and time listed below. For the safety of our staff please limit your visit to no longer than 5 minutes. You are asked to pick up the belongings from the Front Corridor (between the two glass doors in the front entrance) and head out of the building so the next set of parents are allowed in. Below are some important points that **MUST** be followed by parents when picking up students' belongings:

- Only **one parent** is allowed in the building at a time. Please DO NOT bring children with you.
- If you are ill (fever, cough, fatigue, and/or muscle aches) or any other symptoms of a cold/flu you are **not permitted in the school**. Please arrange for a family member who is completely symptom free to pick-up on your behalf.
- Please make sure you take all your child's materials and leave the school immediately as the next appointment is waiting. You are only permitted to enter the school during the time you have been allotted.
- Please be sure to follow the personal hygiene recommendations from Alberta Health Services:
 - Use hand sanitizer before entering school
 - Wear a mask
 - Cough and sneeze into your arm

- Arabic textbook and workbook will be provided with the books. Electronic version of Noorani Qaida will be provided. However a copy of the Quran will have to be provided for students who need it from home.
- Please note that if you do not have access to an electronic device at home for your child to use, **a chromebook may be loaned**, one per family, by the school. If you require a Chromebook, please complete the Chromebook Agreement on school cash. Please note that we have a limited amount of Chromebooks available for loaning. The school will make a separate appointment for you to pick up the chromebook from the school. Please review the agreement as \$265.00 may be charged if the chromebook is returned damaged.
