2022-2023 School Supplies for Students

As salam alaykum Dear Parents/Guardians,

Calgary Islamic School - Omar bin Al-Khattab Campus is planning a challenging and creative academic year for our students. In order for your child(ren) to do well in school, they need the tools and supplies to support their learning.

Please note that same as last year, the school will NOT be providing stationary supplies to students this year.

For the 2022-2023 school year, Parents have **two** options:

Option 1: Parents can purchase all of the items on the list of school supplies on the school website and send them on the first day of school. Please visit the OBK School website to see the list of supplies your child will need for this school year.

OR

Option 2: Order school supplies through "School Start". Through this program, you can order the supplies which have been set up as per each class list and pay for them online. The supplies will be delivered to your home address. To order the supplies, Please follow the directions below:

- Go to: <https://schoolstart.ca/>
- Then click on the following:
 - - Parents Shop Here

Please note that as last year, the school will charge parents a flat rate of **\$35.00** per student for art school supplies. This has already been set up on School Cash Online.
