

Calgary Islamic School – Omar Bin Al-Khattab School Council

Friday, November 18, 2016

Respected CIS - OBK Parents,

School Council would like to send a friendly reminder for parents who wish to sign up as a class representative of their choice. Kindly nominate yourself or some parent that you would think will suit best for this position. We need at least one Parent Representative from each class.

A Class Parent Representative helps teachers, the School Administration and the School Council in managing volunteer efforts in our school. More details can be obtained by accessing the Parent Representative Manual available on OBK's school website:

<http://obk.calgaryislamicschool.com/community/school-council2>

It can be a good way of earning sadaqa jaariya by helping our school community. Also, students, this year are learning that donation and work of charity is not limited only in the form of money but also through volunteering one's time, offering services and sharing talent. Please be an example for our students and volunteer.

Kindly fill out your name and email address of the class you are interested in representing and email it to the Parent Representative Coordinator, Anjum Dawood @ anjdwd@yahoo.ca.
